

SORBONNE UNIVERSITY ABU DHABI INSTITUTIONAL FACT BOOK AY 2023/2024

MESSAGE FROM THE DIRECTOR OF CORPORATE SERVICES DIVISION

I am delighted to present Sorbonne University Abu Dhabi's fifth Institutional Fact Book for the Academic Year 2023/24. This publication captures the evolution of our university since its establishment in 2006, showcasing the milestones and achievements that have shaped our identity as we draw close to celebrating two decades of building the bridge between civilizations here in the UAE.

This Fact Book is more than a statistical report; it offers a comprehensive perspective of our strengths, challenges, and opportunities within the UAE higher education ecosystem. It provides insights into our academic and research profile, student and faculty demographics, campus facilities and activities, and strategic partners, all of which provide a deeper understanding of what makes our institution unique.

This resource has been designed to support strategic decision-making, inspire innovation, and reinforce our commitment to excellence. I encourage you to explore within to get an understanding of our trajectory and commitment to deliver on our mission and vision.

Thanks to all who contributed to this Fact Book, in particular Institutional Research whose dedication to enhancing Sorbonne University Abu Dhabi's data management and reporting allows us to project this testimony of a firm commitment by all at SUAD to building a legacy of success.

Ms Gweneth O'Gorman
Director of Corporate Services Division
Sorbonne University Abu Dhabi

INSTITUTIONAL FACT BOOK

Academic Year (AY) 2023/24

This publication marks the fifth official edition of Sorbonne University Abu Dhabi's Institutional Fact Book, which provides a comprehensive look at the university's journey since its founding in 2006. It offers a detailed account of institutional performance and achievements for the academic year 2023/24, serving as a valuable resource for both internal and external audiences.

Prepared by the Institutional Research within the Institutional Planning and Effectiveness Department, in close collaboration with SUAD's academic and administrative departments, this Fact Book presents a thorough analysis of the university's strengths, challenges, and growth opportunities within the UAE higher education sector.

The Fact Book includes a comprehensive collection of tables and graphs, offering comparative data on academic programmes, student demographics, faculty and staff profiles, university events, and campus facilities.

The information presented is drawn from SUAD's Student Information System (Ellucian Banner), the web portal, and other institutional databases, ensuring an accurate snapshot of the university's operational performance.

SUAD IN CONTEXT

Academic Year 2023/24

VISION

Fostering intellectual excellence, cutting-edge, multidisciplinary research and innovation, critical thinking, cultural harmony and tolerance for the benefit of society.

MISSION

Building the bridge between civilizations through excellence in education and research, uniting the renowned French model of learning and knowledge development with the vision of the UAE.

SUAD CURRICULUM

Academic Year 2023/24

All undergraduate and postgraduate programmes offered at SUAD follow the academic curricula defined in Paris and comply with European academic standards. Each programme is overseen by a Head of Department and Head of Programme at SUAD, in addition to the Conseil d'UFR of the respective academic department at Sorbonne Université (Humanities and Sciences) and Université Paris Cité (Law, Economics, and Management), and graduates receive their final degree award from Paris.

Undergraduate degree programmes are delivered across six semesters over three years with thirty credits per semester and a total of 180 credits awarded. All undergraduate programmes are taught in French, with the exception of the Bachelor in Physics, Bachelor in Mathematics with specialisation in Data Science for Artificial Intelligence, and the Bachelor in Records Management and Archival Sciences.

For all bachelor's and master's programmes taught in English, students must provide proof of proficiency in the language (IELTS).

SUAD CURRICULUM

Academic Year 2023/24

Foundation Year

To support student's transition to university education, SUAD offers a number of Foundation Year programmes, the duration of which is a minimum of one academic year.

- For entry to all bachelor's programmes taught in French, students who are not fluent in French must register for the Foundation Year in Intensive French.
- For the bachelor's programmes offered by the Department of Science and Engineering (Physics and Mathematics), students must register for the Foundation Year in Sciences.
- For the Bachelor in Records Management and Archival Sciences, students must register for the Foundation Year in Records Management and Archival Sciences, depending on their level.

Postgraduate master programmes are delivered across four semesters over two years with a maximum of 120 ECTS credits awarded.

All postgraduate programmes are taught in English with the exception of the Master in Teaching French as a Foreign Language.

SUAD's Continuing Education Center (CEC) provides niche, high quality and lifelong learning programmes to empower working professionals and advance their professional goals and career prospects. CEC offers various certificate and diploma courses, such as Sorbonne French Language Courses (SELFEE), Professional certificate in Archives and Records Management, and International Programme in Sports Management.

ACCREDITATION

Academic Year 2023/24

Sorbonne University Abu Dhabi operates under the administration of the Department of Education and Knowledge (ADEK) and the academic leadership of Sorbonne Université.

The degrees offered by SUAD are issued in France and accredited by the French Higher Council for Research and High Education (Hcéres) in France every 4 years.

The Commission for Academic Accreditation (CAA) of the UAE Ministry of Education also accredits SUAD programmes. As of November 2023, all twenty-six academic programmes delivered at SUAD were accredited by the CAA.

SUAD programmes have the added advantage of worldwide recognition thanks to the fact that they follow the European Credit Transfer and Accumulation System and are therefore recognised under the Bologna Accord.

Fall-to-Fall Retention Rate

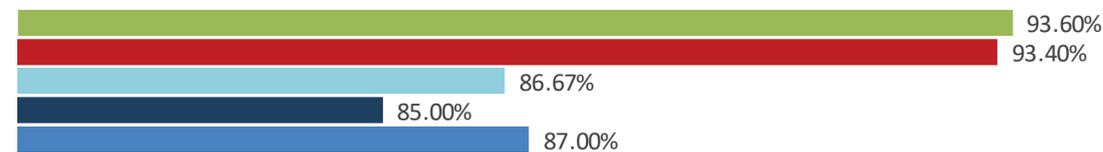

AY 2023/24

Fall-to-fall retention is a key measure of student success. It reflects the percentage of students enrolled in one Fall term who return the next Fall, excluding foundation students. Those not enrolled are classified as graduated, withdrawn, or dismissed.

In AY 2023/24, the overall retention rate was **92.5%**.

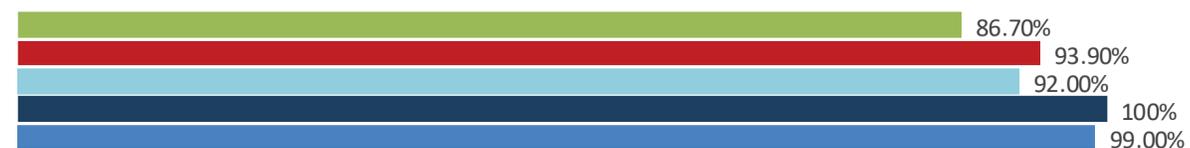

Undergraduate Programmes

	Retention Rate

2019/20	99.00%

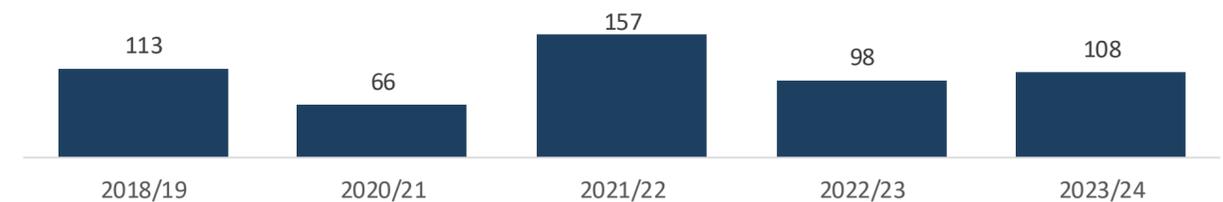

Internship

AY 2023/24

Internship as a curriculum option and experiential learning has a positive role in the career outcomes and professionalism of our graduates.

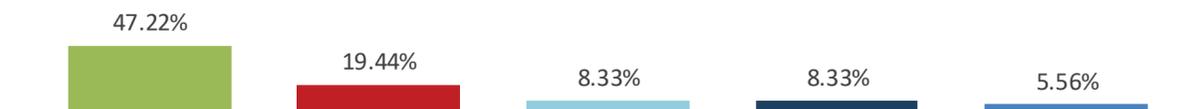

While internships are not incorporated into all academic programmes at SUAD, the University encourages and supports students through The Career Centre to seek an opportunity for internship or experiential learning.

Graduate Destination Survey A 5-Year Insight

In cooperation with the Labour Market Intelligence Division of Abu Dhabi Department of Education and Knowledge (ADEK), SUAD conducts a Graduate Destination Survey in the spring of each year. The Annual Graduate Destination Survey reports on the types of employment, further studies, or career pursuits of SUAD graduates.

Survey Year	Total Grads	% Employed respondents	Job studies relevance	% Further studies	Looking for a job	University satisfaction	Teaching satisfaction	Career Services satisfaction
2024	223	59.8%	76.3%	12.3%	50	92%	88.9%	61.4%
2023	233	61%	69%	11%	48	88%	87%	77%
2022	196	55%	67%	11%	37	78%	80%	86%
2021	202	52%	71%	18%	58	82%	80%	78%
2020	184	65%	73%	19%	26	76%	83%	83%

SUAD EMPLOYEES

Academic Year 2023/24

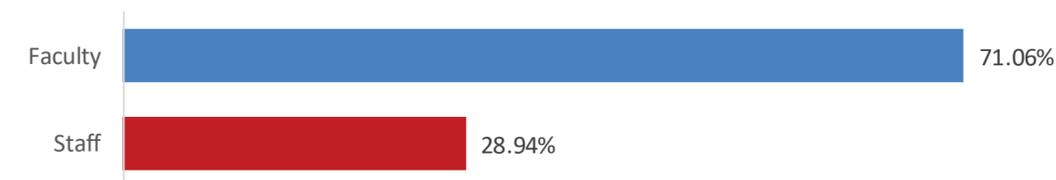

SUAD continues to recruit and retain specialized faculty and administrative staff from diverse populations.

In AY 2023/24, the total faculty count was 334, including 76 full-time Abu Dhabi-based faculty, 57 part-time locally hired faculty, and 201 visiting professors primarily from Sorbonne Université and University Paris Cité.

Additionally, the administrative and support service staff comprised 136 individuals, with 114 in full-time positions and 22 in part-time roles.

Employee	Total Employees	Percentage
Faculty	334	71.06%
Staff	136	28.94%
Total	470	100%

Student-to-Faculty Ratio (SFR)

Our Student to Faculty ratio is testimony to the commitment to providing quality education and support to our students from the point of entry to completion of their academic award.

The Full-Time Equivalent (FTE), student-to-faculty ratio assesses the balance between student enrolment and faculty at an institution. It is calculated by dividing the total full-time students by the total full-time equivalent faculty, offering insights into faculty workload relative to the student population. In AY 2023/24, the FTE student-to-faculty ratio was **10.15:1**.

Student-to-Staff Ratio (SSR)

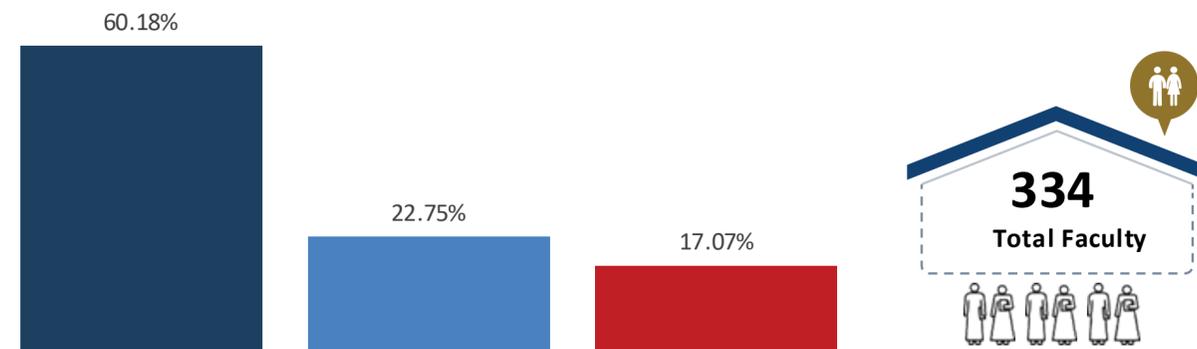

The Student-to-Staff Ratio (SSR) measures the number of FTE students per FTE staff member, reflecting staff capacity relative to enrolment. In AY 2023/24, the SSR was **10.1:1**.

SUAD EVENTS

Academic Year 2023/24

SUAD hosts a diverse array of academic, research, student, and cultural events throughout the academic year.

Academic departments and faculty organize scientific events—including conferences, symposiums, seminars, and lectures—strategically aligned with key research themes and topics of national and international significance.

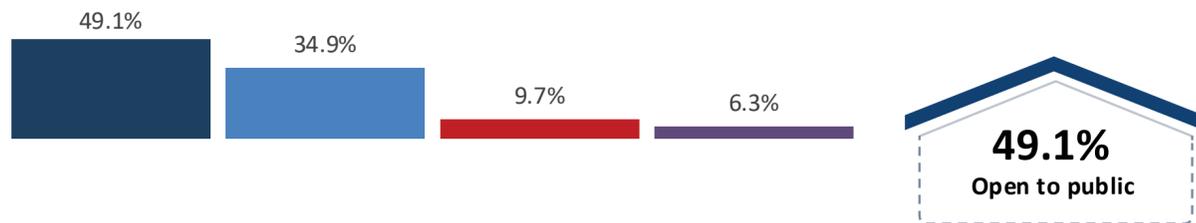

The Student Affairs Department, in collaboration with the Career Centre and the Student Council, organises an annual calendar of student events and activities to enhance awareness, foster engagement, and promote diversity and tolerance.

Additionally, the university offers a rich selection of cultural events each year, reinforcing its role as a hub for culture and the humanities in the region.

SUAD SPORTS

Academic Year 2023/24

Sports at SUAD bring together physical activity, well-being, and academic excellence, creating opportunities for students, staff, their families, and the wider community to stay active. With a modern sports complex that includes a fully equipped gym, multi-purpose hall, climbing wall, and outdoor fields, a wide range of activities is available.

Team sports such as football, volleyball, and basketball, along with individual sports like tennis, judo, Muay Thai, and climbing, cater to different interests.

Fitness classes, including Cross Training, Pilates, and Zumba, offer options for all levels.

Beyond recreational activities, SUAD is actively engaged in competitive sports, participating in the Abu Dhabi Inter-University Sports League and organising internal leagues, tournaments, and recreational events.

Inclusion is also a key focus, with dedicated sessions in collaboration with Rab3i that support people of determination, promoting social integration and personal development through sports.

Sustainability remains an important aspect, with initiatives aimed at reducing single-use plastics, encouraging reusable bottles, and organising beach, mangrove, and desert clean-ups. These efforts align with outdoor activities such as kayaking, hiking, and Padel, reinforcing a commitment to environmental responsibility.

SUAD LIBRARY

Academic Year 2023/24

The SUAD Library hosts the largest collection of French and Francophone academic literature in the GCC, with over 115,000 printed books and 506,000 e-resources, including books, articles, and periodicals.

It offers a comprehensive range of materials to support students and faculty in academic and research endeavors, helping students gather information for coursework, research, and projects while developing key academic skills.

The library provides specialized workshops for students and faculty, including information literacy sessions on database navigation and ethical use of sources, as well as faculty-focused sessions on relevant resources.

It also promotes open science initiatives, guiding data management and open access publishing. The 4,600-square-meter facility is equipped with cutting-edge hardware, software, and private study spaces to support research and collaboration.

Throughout the year, the library hosts workshops on academic writing, citation management, and research techniques, alongside cultural events like book clubs, exhibitions, and discussions. "Le Salon de Musique" offers a space for music enthusiasts, highlighting the library's role as both an academic resource and a cultural hub for intellectual engagement and lifelong learning.

SAFIR: SORBONNE ABU DHABI FOR INNOVATION AND RESEARCH INSTITUTE

Research is fundamental to the vision and strategic objectives of Sorbonne Abu Dhabi, establishing the institution as a prominent contributor to research and innovation within the UAE and the GCC region.

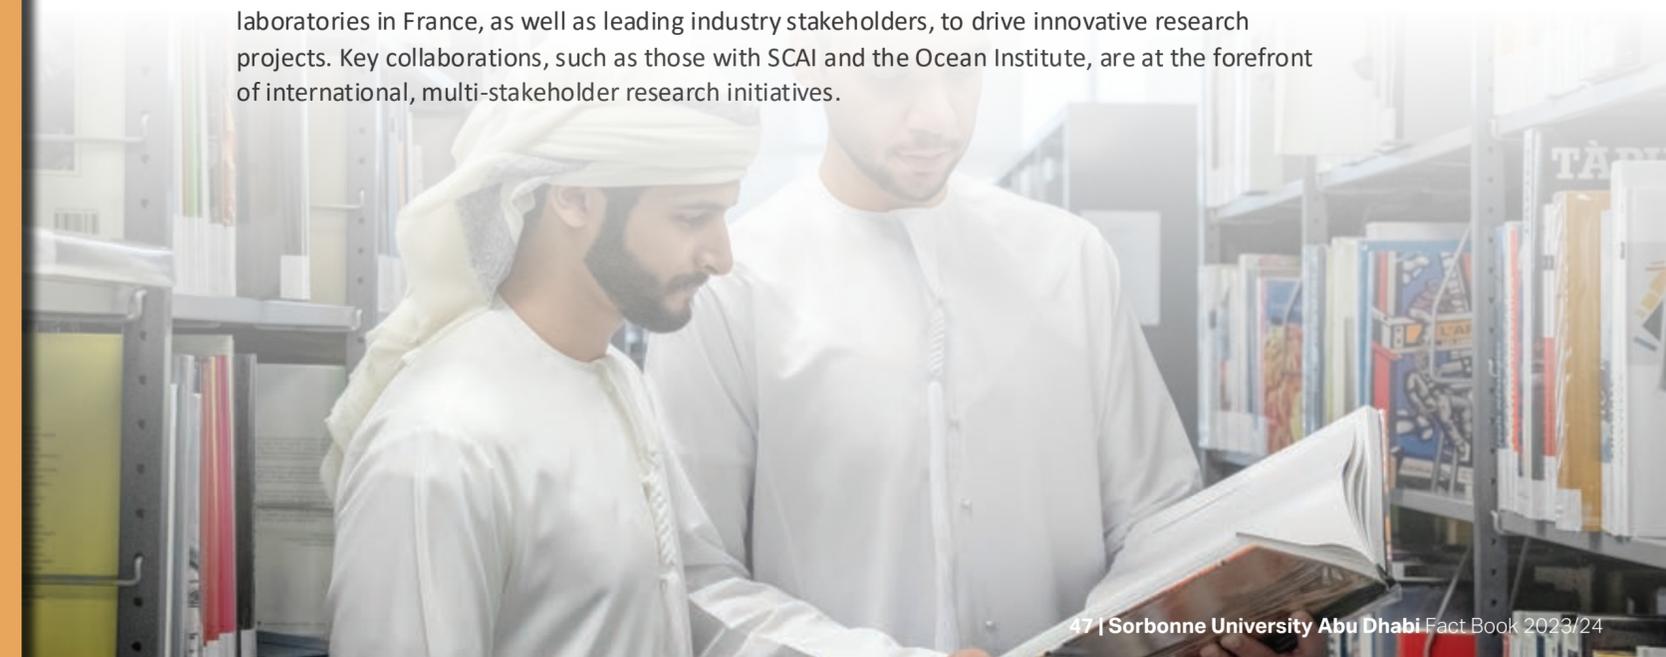

Through its distinguished research institute, SAFIR, Sorbonne Abu Dhabi aligns its research with the areas of excellence of Sorbonne Université and Université Paris Cité, as well as the specialized expertise of our faculty members based at the Abu Dhabi campus. The university's research priorities are closely aligned with the UAE's Vision 2030, supporting national goals and contributing to the achievement of the United Nations Sustainable Development Goals.

SAFIR encompasses seven research centers dedicated to advancing knowledge in the following strategic themes:

	Heritage and Material Science
Artificial Intelligence and Digital Policy	Global Societies, Cultures, Cities and Arts
Environment and Sustainable Development	Humanities, Languages and Education
Applied Mathematics, Statistics and Data Science	Health and care

In addition, SAFIR fosters collaborations with world-renowned research institutions and laboratories in France, as well as leading industry stakeholders, to drive innovative research projects. Key collaborations, such as those with SCAI and the Ocean Institute, are at the forefront of international, multi-stakeholder research initiatives.

SAFIR: SUAD Research Ambassador

The **SAFIR** research laboratory stands as a distinguished ambassador of academic and research excellence, embodying a commitment to impactful scholarship and scientific advancement.
